

Ashiqur Rahaman

FULL STACK WEB DEVELOPER

Aspiring Full-Stack Developer with a strong track record of adapting to both independent and collaborative environments. Proficient in front-end and back-end technologies, with a focus on delivering high-quality, scalable solutions within tight deadlines. Seeking a challenging role in a growth-oriented organization where I can leverage my technical skills and contribute to innovative projects.

EDUCATION

Masai School, Bengaluru — Full Stack Web Development

Nov 2022 - Nov 2023

At Masai School, I gained hands-on experience in learning both frontend and backend technologies, which helped me to build web applications and dive into the exciting world of coding.

Malda Model, West Bengal — Higher Secondary

Apr 2017 - Apr 2019

Where I developed a strong foundation in academics.

PROJECTS

SKILCRAFT — An online learning platform focusing on interactive tutorials, video uploading, video learning, and filtering capabilities.

Under my leadership, a team of three members completed this project in just 4 days.

Responsibilities:

- Secure sign-in and sign-up processes.
- Enable users to upload and learn from video tutorials.
- Implement search and filtering functionalities for efficient navigation.

Tech Stack:

- HTML, CSS, and JAVASCRIPT for frontend
- NODE.JS and EXPRESS JS for the backend
- Cloudinary for image and video storage and management.
- MongoDB for database

CREATORSHIPS — An application for creators and businesses to promote or collaborate.

An individual project completed within 5 days.

Features:

- Register, login, and manage account functionalities.
- Payment subscription with Stripe API.
- Filter by location, language, and verified user.
- Detailed application page with clear descriptions, high-quality images, and size/color availability.
- Add application or update application as per the need.
- Secure chat page to connect with each other.

Tech Stack:

- Next JS and TypeScript for frontend
- NODE.JS, EXPRESS JS, and TypeScript for the backend
- SQL for database
